Smoke Alert

And I quote the puffy one himself
 “I’m gonna shoot for Hummelstown this year – ‘cause I’m SICK of my scores not counting!”

It was like money falling from the sky – EVERYONE knew how this was going to turn out – except of course – Smoke.

Let’s take this week-by-week ⇒

Conclusions:

1. Smoke should have stayed with his old team !!
2. Smoke should stay away from Central Penn – they won’t let him play either
3. Steelstown is not Smoke-Friendly either (I think he already knows that)
4. May want to try breaking more of those orange things

1. The averages were pretty level across all the clubs this year – No killers – no Powder puffs.
2. One 50 shot this year – Doug Heiges – at Steelstown (that won't happen again – right Wally)

4. At the same time Blue Ridge went from a powerhouse to last – surely due to the loss of Smoke.
