1. The opener at Central Penn reminded us that this is a WINTER league. Cold and rusty shooters equaled one of the roughest weeks ever.
2. Shooter counts were down – weather and the economy took their tolls.
3. This is was the 20th year for the league. The first couple years were non-club affiliated teams. The league was organized by Paul Jordan (PJ) and Jeff Lutz. In 1995 we settled on the format we use today.

Smoke Alert:

Need to lay off Smoke this year. He shot pretty well despite having some form of galloping crud.
