## Smoke Alert:

Smoke did not shoot this season due to suspension repairs (Knees). He did wish to start in the back half of the season. The league has a “Ringer” rule that states you must start in the first 5 shoots – preventing a team from bringing in a ringer at the end of the season.

Definition: **Ringer**, in sports idiom, an impostor, especially one whose pretense is intended to gain an advantage in a competition.

Never has a rule applied less to a person than Smoke. He is well known and only an advantage to the other teams!

\*\* The ringer rules has been voted down for the next season 😊
