Smoke Alert:

Smoke did return this season and shot 8 weeks. He didn't shoot Steelstown in the rain, I'm guessing it would mess up his make-up. Some people think I pick on Smoke because I don't like him – not true. I pick on Smoke because it is easy. 😊

2 nd Junior	Tyler Jones		

CPTSCL 2024 Summary

- Brad Powell repeats as top gun – That’s 3 in a row! We did have Roger in the shop – just sayin’
- Warrington threw the powder puff course on week 3 – we needed it – the 1st 2 hurt a little
- Blue Ridge and Hummelstown had the average killer courses this season.
- Another mild year – another season without a make-up! Yeah – we shoot in the rain 😊
- 36,087 targets were broken this season, out of 52,800!
- Only had 2 weeks with UNDER 100 shooters. 126 in 1 week – a new high!
- While we had 96 qualify this season – same as last year, 14 were just 1 shoot away from qualifying.
- There were 166 different shooters out at least once this season.
- No one shooting for Blue Ridge improved this season 😞 .
