New Gate was Installed on road going to the rifle range, This way it can be closed off during special events and keep people from driving down when ranges are closed.

Steel Target range- The steel target range is being moved from down at the pond. Its new location will be next to the rifle range, in between rifle range and clubhouse. A lot of work still needs completed. If you would like to help please reach out to Scott Fuhrman @ 717-645-5369

The Lebanon County chapter of Federation Of Sportsmen and Conservationists held there Monthly Meeting At Steelstown on 10-29-2020. Pennsylvania Federation of Sportsmen and Conservationists strives to preserve, promote, and protect our outdoor heritage of hunting, trapping, angling, boating, shooting sports, and our natural resources. The Voice of Sportsmen and Conservationists in the Commonwealth. If your not a member, I would suggest looking into joining them, as they do alot for Sportsman, hunting, fishing and all kinds of other things. Their website for more info is, www.pfsc.org
