We Are looking for help to get some work done on our steel target range. We set up a work day **May 29<sup>th</sup> from 8-?**. If you can come help get some work done on the range it would help out allot! The more help we get the sooner the range will be done and ready to use!

Also regular work Detail days are the last Saturday of each month February thru September 8-11am, again the more help the more we can get done! No work detail April 24<sup>th</sup>, (Make-A-Wish shoot) is that day

We are always looking for trappers, kids 13 and up as well as adults! If you would like to make a few bucks on a Saturday morning reach out to Scott Fuhrman @ 717-645-5369
